

# Daulet Dauysbekov

**Address:** Almaty, Kazakhstan  
**Phone:** +7 777 111 7531  
**Email:** mail@daulet.online  
**LinkedIn:** <https://www.linkedin.com/in/dauysbekov/>  
**Website:** <https://daulet.online/>

I'm passionate about innovation and meticulous in delivering high-quality solutions tailored to each client's unique needs. Currently, my focus is on developing web applications to enhance the personalized and streamlined shopping experience for online store customers, utilizing the latest technologies and pushing boundaries in e-commerce optimization.

## Work Experience

---

**September 2022 – Present**  
**Web application developer**

**Self-employed**  
Almaty, Kazakhstan

- Developed ShopiCraft, a proprietary Shopify App integrating AI for multilingual product description generation. Achieved over 2500 installs within the first year, with over 700 active users. The app is available at this URL: <https://apps.shopify.com/shopicraft>  
- Developed custom integration solutions for Shopify stores in Kazakhstan, including integration with the biggest bank in the country.

**September 2019 – July 2022**  
**Software Developer – Erlang development**

**Statkraft**  
Dusseldorf, Germany

Designed, implemented, and sustained an automated power trading platform, integrating an Erlang backend and Python frontend. Additionally, crafted dynamic web dashboards utilizing the Angular framework to enhance user interface and experience.
